

- ✓ Could you use an extra couple hundred dollars in cash every month?
- ✓ Do you often wonder where your money goes each month?
- ✓ Are you stressed out over money?
- ✓ Has your household income gone down but your bills are the same or higher?
- ✓ Are you tired of struggling to make ends meet each month?
- ✓ Are you frustrated because you want to do things for yourself or your family and there just isn't enough cash?

If you answered 'yes' to any of these questions then 12 Ways To Put Money In Your Pocket Every Month Without A Part Time Job is written just for you!

The economy is slowly sputtering toward recovery, yet millions of people are still wishing they had more money every month. *12 Ways To Put Money In Your Pocket Every Month Without A Part Time Job* shows readers how to convert 12 expenses into 12 Money Opportunities. *The money created in the first chapter pays for the book!*

Each of the *12 Money Opportunities* includes easy-to-follow steps for creating cash that adds up to several hundred dollars each month. When the steps are repeated, money is added to your pocket month after month after month! The hundreds of dollars you create each month can quickly add up to \$3,000 or even much more in just about a year! The book is available online at www.12WaysBook.com.
