### Guidance for Families AFTER Foreclosure

In the Baltimore/Washington region tens of thousands of families have lost their homes to foreclosure, and nationally the number rises into the millions.

On Saturday, November 7, 2009, CFL will host a full day education seminar that explores the 5 steps families need to take after foreclosure to recover and reposition themselves financially to return to homeownership. However all the information covered will help anyone who is feeling financial stress or pressure in this economy, even if they did not experience foreclosure.

Tell everyone you know because we all know at least one family who has faced foreclosure. The workshop will be held in Upper Marlboro. Log on to: [www.PostForeclosureHelp.org](http://www.PostForeclosureHelp.org) for workshop details and to download a flyer and press release.

Remember to share this important financial recovery resource with everyone you know and all of your social networks! Millions of families have lost their home to foreclosure and they just may be part of your network!

On Friday, November 6th at 8 p.m. and Sunday, November 8th at 7:30 p.m., *Facing the Mortgage Crisis in DC* will air on WHUT, and I am one of the featured experts. WHUT is a Washington, DC station that can be viewed in the Baltimore area on Comcast and FiOS.

At 9 a.m. on Friday, October 30th, I am scheduled be one of the financial experts on WUSA TV9's *Mind Over Money* consumer show. This show airs live in DC and viewers can call in and get their financial questions answered.

All of these shows provide great financial information and resources, so tell a friend!
